

To ensure a wet pussy, check off

- a game of chicken
- a tenth grader's knowledge of Pavlov's conditioning
- a French kiss over the hardest tit
- a fist full of hair and a neck cracking tug
- a humid moan into my ear
- a history of hypo-arousal
- a dry tongue to lick up my tears
- a handcuff grip around my wrists
- an ignored safe word
- a cortisol-drowning amygdala
- a bite that bruises my jugular
- an ignored headshake
- a pair of fingers shoved into my vagina
- a sweaty palm pressed over my open mouth
- an ignored body
- a tight torso and surging chest beat
- a robbery at Stockholm
- a light kiss goodnight on the lips
